AMERICAN SHARE INSURANCE

By members' choice, this institution is not federally insured, and if the institution fails, the Federal Government does not guarantee that depositors will get back their money. The credit union is not insured by any state government.

Must qualify for credit union membership.

The credit union has entered into a referral agreement with several real estate brokers to provide our membership with a 4% commission on listing agreements. All real estate commissions are negotiable. If you are purchasing real estate with our broker ('Buyer'), we have negotiated a 20% commission rebate on the net buy-side commission received by the Buyer's broker. The credit union is using this 20% commission rebate to 'buy down' the rate on a mortgaged financed with the credit union. The member can also choose to receive the 20% commission rebate through escrow. Terms and conditions may apply. Service is being provided by independent real estate brokers that are not under the control of the credit union. The credit union does not take any responsibility for the actions of the real estate agents, brokers, or any of their affiliates.
